## *Getty Square - The Village and Other Yonkers Memories*

(A story about Yonkers and  
remembrances of its past)

By  
Eddie Dee

"For years now, whenever and wherever I meet someone I grew up with, I always find myself saying, 'Let's face it - it all begins and ends in Yonkers.' Whatever conversation ensues, we usually conclude by saying something like this: 'Hey, we were incredibly lucky to grow up when and where we did - on those Yonkers Hills.'"

This book includes fifteen stories of Eddie's memories of growing up in Yonkers and contains wonderful illustrations by Elaine Hardie and Sharon Tobin, including the Yonkers City Pier, Mulford Gardens and more.
